**WHAT TO WRITE IN THE 'BALL BOWLED' BOX**  
 W = wicket taken      1/2/4/6 = runs scored  
 (2) = wide or no-ball      • = no run scored

Write down the name of the batters, in order, for each innings. Use extra spaces for retired batters to continue their innings.

Each time the batter scores a run cross off a box. This will help you tell when the batter reaches his/her retirement score of 15. N.B. runs only count to batter when they HIT the ball.
